Farmingville, NY – On October 16, Councilwoman Jane Bonner attended the 20th Annual Rocky Point Historical Society Tea at the Rocky Point VFW Post #6249, presenting the organization with a Certificate of Congratulations for their event's 20th year.

This year's guest speaker was historical reenactor, Jim Foote, presenting his rendition of American statesman, author, explorer, soldier, naturalist, and reformer, President Theodore Roosevelt. During the past twenty-five years, Mr. Foote has developed a definitive portrayal of President Roosevelt. He has greeted visitors at Sagamore Hill with many of the famous TR quotes and has appeared in various television documentaries.

"I am always pleased to join with the Rocky Point Historical Society members at this annual event," said Councilwoman Bonner. "I applaud them for their efforts to preserve and share the local history of our community."
